

ALL ABOARD THE ARK

Week of Monday, Oct 25, 2010

Check out our Website: www.larchesudbury.org

...Trust in the Holy Spirit “whose power working in us can do more than we can ask or imagine”. Action and trust, exactly what Jean chose when he started L’Arche 46 years ago, because people with intellectual disabilities are still at risk today. We must not and cannot be passive and complacent in front of this difficult truth.

Over the years, Jean Vanier has changed, L’Arche has changed, you and I have changed, and our world has changed. Together we must seek the wisdom of how L’Arche in Canada is called to change today. For God promises us to make all things new and invites us to write down our vision. For as it is written in the Book of Proverbs: “Where there is no vision, the people will perish”.

—Joe Egan
