

Subject: L'Arche t-shirts and sweatshirts

Hey Chris,

I noticed that Jennifer sent an e-mail regarding our L'Arche clothing line but was wondering if you would be able to put a little blurb in the newsletter as well.

The catalogue and sign up sheet will be making it's way to the office tomorrow. **The deadline for orders and payment is the AGM on June 23rd.** People can stop by the office with their money before then or come to the AGM with their money and place their orders.

The t-shirts will have the L'Arche logo embroidered on the front left (over the heart) in white thread and there are a variety of shirt colours to choose from. Cost is \$15.00 with \$5.40 going towards our solidarity fund to help support L'Arche Honduras.

There are 2 sweatshirt options, both of which are hooded and full zip:
50/50, cotton/polyester for \$33.90 (more lightweight)
80/20, cotton/polyester for \$39.55

Sweatshirts will also have the L'Arche logo embroidered in white on the left (over the heart) but you have the option of adding lettering on the right sleeve for an additional \$5.65. Some people have opted for the year they came to L'Arche, their name, their home/program...

Thanks so much,
Tricia
