LAST WEEK IN REVIEW

This week we started our third “Living Through the Arts” experience. The first one was visual arts; painting, mosaics and drawing. The second one was drumming; some of you might have witnessed our drumming presentation at the Christmas/Anniversary Party. Now we are doing pottery, and paper maché. We are going to be creating art of the office. Some of the art is going into the new boardroom.

This month all of the assistants joined together for a great time at Cedar Park. We enjoyed a day of sliding and skating. It was followed by a great meal of pulled pork sandwiches and salad. Below are some photos from the day.
