LAST WEEK IN REVIEW

The nice weather that we have been having means that summer is in the air. L'Arche celebrated the beginning of this time with a Cortina Cruise and a pizza party. Everyone had a great time going on the boat and enjoying pizza.

In my mind this begins the summer holiday for core members also. We are starting to get excited for community holidays. One of the groups will be leaving on Saturday and all of the others will be leaving after that.

I know that everyone is going to have a great time and I can't wait to share the stories with you about everyone's holidays.
