- Alain went to his mom's on the weekend and had a great time.

### Galilee:

- Galilee enjoyed going to the movies on Saturday and having a quiet movie day at home on Sunday.

- Audrey, Colleen and Katie really enjoyed giving out candy to the little kids as they came trick or treating.

### **Bethany:**

- Ray is feeling healthy and strong these days, so he will start going to Adele on Fridays. Currently he goes on Tuesdays and Thursdays.
- We welcome Janice, a nursing student at Laurentian who will be our new part-time awake night person at Bethany. Robert has another lady of the night to call to: "Hay lady"
- Chris and Henning from Galilee are heading out to his camp for the weekend. It's time to close and shutter up the camp.
- Lori Evershed as decided to retire from the Jarrett value center and her friends/coworkers are throwing a retirement party on November 9.
- Still no word about Lynn and her little baby. But her husband has been hired by the gold mine in Timmins.
- Abby passed her CPI course on Tuesday.
- Lori Evershed has asked me to share the following information with you.

In October Lori was diagnosed with a cancerous tumor in her brain. After meeting with a specialist, her family Dr. and discussing treatment options with the doctors, her family and loved ones, Lori has decided to decline treatment and has chosen instead palliative care. The tumor is on the right side of her brain and as it grows she will slowly become weaker on her left side, become more tired and then slip into a coma. Lori has decided to live life to the fullest with the time that remains for her. The doctors can't give a definitive answer but estimate that Lori has three or four months to live. Lori is aware of the prognosis but is determined to stay in good

spirits and spend quality time with her family and friends. If you have inquiries about Lori's news please phone Teresa or Chris at the L'Arche office. Lori says as long as she is able she would enjoy going out with her friends and family.

Lori's presence is a present to the world.

Lori you're truly one of a kind.

Your life can be what you want it to be.

Take the days one at a time.

Lori count your blessings, not your troubles.

You'll make it through whatever comes along.

Within you Lori, are so many answers.

Have courage.

Be strong.

Lori wish upon a star, and don't ever forget...

How very special you are.

### **Vocational:**

Do you fancy yourself a bit of a chef? Enjoy creating in the kitchen? Looking to do some fun

volunteering? If so, would you be interested in being a celebrity guest chef for one of our Community Kitchens? What takes place is that we have a guest come in and show us/help us create a simple dish and portion it out for our core members who live independently so that they have portions to heat up later...but not before sharing what we have made to eat together for lunch! This happens once every two months on a Friday. It is voluntary and a great time! If this is something that interests you please get back to me, Susanne, a.s.a.p. as I am making the schedule for the next year! We hope to collect all of the recipes and make a Life Skills cookbook with healthy living tips for our Core members! We are now accepting Chefs for the following months: Feb 2013, April 2013, June 2013, August 2013, Oct 2013, and Dec 2013.

Some of the best memories at L'Arche are made around the table....join us in making more!

Who are these people??

Honey, **Honey**, Honey

Julian and Pat Montpetit's bees have been very busy and have produced a bumper crop of honey this year. Anyone who wants to order some can call (705) 692-9557 or e-mail: patmontp@vianet.ca. 1 kg costs \$10.00.

### **November**

If dudes can endure treatment for months to deal with prostate cancer I can surely manage to put vanity aside for a month. So it's time for me to grow a 'stash. Now I look pretty bad with a stash, so I may as well go for something super ridiculous. It'll be across the top, down both sides with two small pork chops on each side of the chin. Truth be told, I'm not even sure I can grow that on the left side. And I want your money to do this. It'll all go to the Northern Cancer Foundation.

All humor aside, personally I am doing this for Big Al, my father in law – a survivor, and my Mothers brother Mike, who, God rest his soul, did not make it and is no longer with us.

If you are interested in supporting me and this cause, let me know the details and I will fill out the forms.

Contact Karen at the office if you are interested in donating.

Cheers, Dave Andrews
