## THIS WEEK AT L'ARCHE SUDBURY

Last year at this time, I was in Vegas and received a phone letting me know that Heather passed away. Now a year later, I am on holidays again and remembering Heather.

Heather was a great lady, with an interesting sense of humor, a love of Celtic music and just a great person to be around.

You could always count on Heather to make a day interesting wither she was laughing at something you did or just giving you the evil eye.

I know I might be a little late, but let's all remember Heather and what she brought to all of us.

### **What's happening?**

#### Emmaus:

- Alain had a great weekend at his Mom's
- Paulette had her first weekend away since October and had a great time at Bernadette's
- Tim got some shopping done last week and went for a bus ride and lunch with Taylor and Deborah
- Deborah moved in on Thursday night and is getting to know everyone at Emmaus
- Roma got some new bedding this weekend and is looking forward to updating her bedroom
- We have also said good-bye to Justin. We wish him the very best with everything he does.

### **Bethany:**

This is welcome week at Bethany house. We have been a little remiss in welcoming new assistance and core members. This week we are welcoming in cookie/wisdom, Abby, Eddie, Abba, Tricia, Ray, Helen of Troy and Chris. Cookie as Rob calls JiHye, has taken lots of pictures and hopefully she will submit them to Victoria.

Welcome and hospitality is a spiritual practice in L'Arche. We are called to welcome the stranger into our midst and extend hospitality. It's our way to get to know the other person and to concretely express that they are important and unique human beings. It's also a lot of fun, let the festivities and the celebrations continue.

### **Galilee:**

- Everyone has been leaving us over the last couple of weeks. Victoria is on holidays and will be back on Saturday. Maggie C is back from her trip to the Dominican, Claire is back from France and Chrystal is going to Disney Land... we all have to wonder when it is our turn

- Colleen is enjoying her new school.
- On Saturday everyone went shopping and enjoyed spending money. On Sunday, Colleen, Katie and Audrey went to church.
- Over the last week we had people walking around our roof. We are happy to say that our roof is now fixed.
- Everyone is enjoying their visits to see Lorrie.

### **News from the other side of the world**

Hello everyone!!

This is Francois-Xavier and Inke. We hope you remember us :)  
FX is visiting me at the moment and we talked a lot about our time in L'Arche. So we decided to send you some greetings and let you know how we're doing. We're having a nice time in Cologne enjoying the beautiful sunshine. In a couple of weeks I will go back to studying psychology and FX will continue his studies in order to become a social worker in Paris. We hope you are all well and we miss you!

FX and Inke
