Galilee House had fun at the beach.

What's happening? Emmaus:

This week, the Emmaus House went to an autism fundraiser BBQ hosted by Deborah's amazing daughter, Lee. We also went to a very scrumptious BBQ hosted by our great friends at Galilee.

On Thursday, We celebrated Tim's 51st Birthday. He received much love from his family and friends, as well as many cool gifts, such as air plane models and Harley Davidson signs for his room.

On Sunday, we spent some time with Ray at the horse track. Ray, Tim and Eddy all participated in the gambling of which horse would come out top, and Ray had picked correctly and won! Poor Tim and Eddy had no luck, but still had a lot of fun, as well as everyone else who was there.

Baby Emma and Eden's sister came back for supper this week. Baby Emma is

starting to grow, but is still as beautiful as ever. Everyone always welcomes the young soul with open arms and with loving embrace.

We also welcome back the return of Roma from Orillia with her sister. Roma had a wonderful time hanging out with her sister.

Alain went to his mom's on Wednesday, and will be back on Friday. Alain is very thrilled to be invited to his mother's. We hope he has a fun and safe time.

Galilee:

Audrey, Maggie and Jen CC leave for Florida this weekend for the Disney cruise. Audrey is getting excited for her trip even though she had been counting down all year.

This past weekend we held a Community BBQ and we had guest from L'Arche North Bay and Daybreak. Everyone had a great time and Kenny showed off his hosting skills.

On Sunday, we decided to make a "summer themed" time capsule at the house. I wonder if we are going to remember to open it next year.

Laurette will be moving out of her house and live at friend's house until she can find the house of her dreams. We wish her luck with this task.

Bethany:

Before having supper, Rob helped us to set the table on the deck and sat on the swing chair with beautiful sunshine.

Trudy wore her first summer dress this year; can't forget the beautiful jewelry..
