What's happening? Emmaus:

This week, the Emmaus House welcomes L'Arche Ottawa to stay at our house for the week. We welcome five people, Ashley, Robin, Martin, Lorr and Dorothy to sleep over and have fun during their vacation time with us. Two others from L'Arche Ottawa, Henrietta and Geoffrey, are sleeping at the Galilee house, but frequently drop by for supper and other fun activities. They are all very nice and very welcomed to spend their vacation with us. Robin and Marin have already expressed their appreciation and wish to stay with us for a while longer. Lorr is also enjoying her time here and wishes to return back one day. We have planned a few outings with them, such as going to Laurentian on Saturday.

On other news, Paulette had baked some delicious cookies with Dorothy Roubidoux on Tuesday. Thank-you for bringing them home for us to share with our guests!

Tim and Ray had gone blueberry picking with Ray's wife. They had picked a significant amount of berries and we wish to make some bakery goods from them.

Lynn has been spending some time with Neil these past few days, such as going to a dancing bar at Grumblers. They are beginning to be very good friends and are looking forward to more outings together.

Alain looks forward to going to his fathers for the weekend and perhaps spending some time at

his father's camp to do all sorts of activities and to listen to all sorts of music. Have fun!

Galilee:

Audrey had a great time on her holidays with Jen CC and Maggie. If you would like to see pictures and hear stories you just have to ask Audrey and she will tell you all about it.

Audrey came back from holiday and then celebrated her 42 birthday with 18 of her friends at Kelsey's.

We have welcome two people from L'Arche Ottawa, who are up for their community holidays.

Victoria finally got her new vehicle after waiting two weeks, a 2013 Nissan Rogue.

Bethany:

Eddy visited his mother and had wonderful time with her, so he was so happy!

Trudy will be getting new slings and tray!!!
Eeee yaaaa hooooo!!!

Newsworthy quote:

I promise you, you have something.

L'Arche is like a diamond.

I have been to many places all over the world and no one has what you have.

The depth of compassion for one another, the depth of simplicity, the depth of openness, love and welcome that exists in L'Arche: no one has it—no one.

You are the living communities of peace.

You are the living example and role model of what I believe the world is hungry for.
