

# Making Waves

A community is like an orchestra; each instrument is beautiful when it plays alone, but when they all play together each given its own weight in turn, the result is even more beautiful.

-Jean Vanier, Community and Growth

## Community Holidays

Three Guys, Two Gals and a Minivan

In the summer of 2013 Tim, Patrick, Garnet, Tricia and Suzanne hit the road to our Nation's Capital. For Patrick and Garnet, this was their first community holidays and they were happy to share it with their buddy Tim. The van ride there was met with much laughter, music and fun.

They were warmly greeted by one of the homes in the L'Arche Ottawa community, where they stayed for the week.

As busy tourists do, the week was jammed packed with activities such as a visit to Parliament Hill, the Busker Festival, a ride on the Amphibian bus, Cirque du Soleil, shopping for souvenirs, eating great food that we cooked together, fire works at Capital Hill, a water park, the Space and Aviation Museum and of course the biggest hit.....the local accordion transit bus!

Much fun and wonderful memories were made by this mischievous and fun loving group!
