**Our International Food Community Night**

**On behalf of the Social and Solidarity Committees I would like to extend a huge Thank You to everyone who came out and prepared such scrumptious food in honor of our Sister Community in Honduras. We had food from India, Korea, Philippines, Italy, Poland, Germany, and Quebec, Armenia. The smells were captivating. All the while with gave thanks for what we have and as Audrey Penn puts it, "Give thanks for what we don't have!" We are very privileged in L'Arche Sudbury and realize that there are communities around the world who struggle to put food on their table. We keep them in our thoughts and our prayers. ~**
