Teresa on call

What's happening?

Emmaus:

Tim spent the weekend at his friend Terry's, and brought her back with him on Sunday as his guest at Paulette's birthday party at East side Mario's!

Paulette had a great time at her birthday celebration with all of her good friends and L'Arche family.

Brenna came to Emmaus and spent the weekend with us. We enjoyed some fun and baking with her, especially the mug cake! Thanks Brenna!

Helen spent Remembrance Day in North Bay with her sons and is grateful for them and all of our military men and women.

Our board member Kegan, and his wife Alexa came for super with a potential board member for us all to meet, his name is Joe. He was very nice and a pleasure to get to know over the course of the evening! We had a great time and shared lots of laughter together.

We enjoyed some social time out for a sushi lunch with friends.

Alain will spend next weekend away with his papa! And everyone is excited about the upcoming 50th Anniversary party at Holy Redeemer!

Bethany:

We've got a new fancy washing machine! It works very well. Thank you again for the machine we appreciate it so much.

Last Sunday, we attended Paulette's Birthday party at East Side Mario's and we had a great time and supper with everyone! Thank you for inviting us Paulette and hope you had an awesome birthday with all of us!

Galilee:

Last weekend, the house went to the Church of the Ascension for their Remembrance Day service. After the service, we went shopping and once we got home, ordered food from Swiss Chalet for supper.

We are slowly working on getting our ISPs done. We have had the meetings and now we are working on the paperwork and final project.

This Friday, Katie spent the night at her mom's house. She had a great time.

On Sunday, we watched the Toronto Santa Claus parade. It was nice to see.

Vocational:

Recruitment Update

Marissa began working with us as a night awake relief assistant for Bethany House on September 19, 2014. She also fills some of the day hours and sleepovers after her long days in the DSW program in Cambrian College. We are happy to have her onboard.
