Teresa on call

This is us at Emmaus having fun with Jasmine at the office who asked us for a picture of the stove, so of course we posed!

Paulette, and Lynn went with Alexa and Keagen to the Caruso club last week and enjoyed a lovely dinner, and fundraiser event.

Eddy came down on Tuesday to visit the assistants at lunch. It's always nice to visit with Eddy!

Amanda shoveled us out of the big snowy mess that just fell down from the big Northern sky! We are all hoping it will be our last big storm. As the saying goes, March comes in like a lion goes out like a lamb.

Lynn is off for a couple days with her mom and will be having dental surgery. We will all be praying for a speeding recovery for her.

And the big news is.....Tim got his new glasses finally and is seeing clearly again!

What's happening? Emmaus:

Paulette went for dinner with Dick and Dorothy last week!

Galilee:

It was a pleasure to have Jasmine and Katie come for dinner to Emmaus. Jasmine and Paulette had a great together playing catch with the beach ball!

On Monday, we welcomes Shauna, who is a new assistant from Jamaica. She is going to spend the next year with us. We are happy to have her with us.

Katie and Jasmine enjoyed having supper at Emmaus on Sunday. It was an impromptu invitation.

Everyone enjoyed having Trudy and Cathy at Arise this week. It was nice to hear how her holidays went.

Our snowman is slowly fading away. It is exciting to see as it is getting warmer but sad to say good bye.

Bethany:

On Wednesday Eddy and Chris went to visit Eddy's brother Jimmy. He came back with joyful face and appeared to have a great time with his brother.

Maggie started being trained at Bethany on Monday. We are sure that we'll have a lot of fun and are happy to have her at the house. Welcome to Bethany Maggie.

Cathy is back from her holidays. She has been missed so much and we are glad that she is back.

News from Claire:

Hello there. Just an update. I'm finally on the mend and feeling quite good. Had an angiogram on March 2nd and the cardiologist says that my heart is okay. I saw the physician who operated on my innards and he is pleased with my progress. The reversal of my ileostomy is tentatively scheduled for mid-June. I am slowly picking up my life and activities again, so I will see you all soon at something or other. I plan to be at the community night on March 17th.

I want to thank all of you for the help extended during the last couple of months, especially people here at Galilee who have been great neighbors. My family, who were here quite a bit, really enjoyed the lovely fruit and goodies basket that awaited our return from the hospital. Thank you for so many little kindnesses.

My sister, Lila, spent seven weeks here with me and has finally left for her home in Blind River. She was quite impressed by our community. Galilee even gave her a parking spot in our crowded parking area.

So again, thank you. You are a wonderful people.
