

On Sept 28, 2016 L'Arche Sudbury will once again be hosting our annual Pasta Dinner Fundraiser at the Caruso Club. We would love it if you could join us that night for food and friendship. Once again we will be showcasing our talent as we roll out a new L'Arche Sudbury song. There will be a major prize draw for a beautiful electric fireplace that has been donated by Campeau Heating. The night will also include an address by our keynote speaker David Copeland, a silent auction, raffle table, 50/50 draw and much more.

Tickets are \$40.00 each and a tax receipt is provided for a portion of that. Individual tickets are available or an entire table of 8 for \$320.00. If you'd like to join us, please contact Jasmine, our Office Assistant at 705-525-1015 Ext # 0 to reserve your tickets. They are selling fast we only have 15 tables left!! Don't miss out on your opportunity to spend a wonderful night with some amazing people in support of our members.
